SUPPLEMENTARY INFORMATION:

Agenda:

The Joint Committee and Advisory Panel plan to discuss regional offshore wind updates, including science planning and surveys, open public comment opportunities, Council energy policies, and other topics. They will also receive an update on the Plan Development Team's work related to Georges Bank habitat management. The group

plans to discuss offshore aquaculture projects and opportunities for engagement, if necessary. They will receive other habitat project updates, including updates related to the Northeast Regional Habitat Assessment. Other business may be discussed as necessary.

Although non-emergency issues not contained in this agenda may come before this group for discussion, those issues may not be the subject of formal action during this meeting. Action will be restricted to those issues specifically listed in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Act, provided the public has been notified of the Council's intent to take final action to address the emergency.
